DHA & Tingle Effect

The packaging features a silver, metallic-looking background with a dense, intricate black line-art pattern. The pattern consists of various organic, floral, and leaf-like motifs. At the top, the brand name "soleo" is printed in a stylized, lowercase font with a modern, geometric feel. Below the brand name, the product name "BLACK FRUIT BRONZER" is prominently displayed in large, bold, black capital letters. Underneath this, the ingredients "COCOA AND SHEA BUTTER" and "WALNUT EXTRACT" are listed in a smaller, black, sans-serif font. The overall design is elegant and artistic, suggesting a natural yet sophisticated cosmetic product.
