TREND UP

BLONDE UP - BLUE WHEAT PROTEIN HAIR BLEACHING POWDER

Polvere Decolorante Blu per capelli

Non Volatile - Schiarisce fino a 8 toni
Dust Free - Lift up to 8 tones

PROTEINE DEL GRANO WHEAT PROTEINS

IT Decolorante compatto di formulazione esclusiva in grado di fornire un elevato grado di schiaritura in tutta sicurezza. Grazie al suo stato micro-polvere evita alle particelle volatili di disperdersi nell'ambiente di lavoro, inoltre la presenza di estratti naturali quali le proteine del grano, favorisce la struttura esterna del capello (cheratina) sia sempre protetta, lasciando ai capelli la loro naturale lucentezza ed elasticità.

MODO D'USO: mescolare uniformemente in un contenitore non metallico una parte di polvere decolorante con due parti di ossigeno da 20 o 30 volumi. Senza attendere, applicare la crema ottenuta su piccole ciocche, separandole con piccoli fogli di alluminio e lasciare in posa per il raggiungimento della schiaritura desiderata (indicativamente: tra i 20 e i 35 minuti). Dopo la decolorazione o le mèches sciacquare i capelli eliminando ogni residuo cremoso e risciacquare. Richiudere bene la confezione dopo l'uso e conservare in luogo asciutto.

AVVERTENZE: usare sempre guanti adeguati in quanto potrebbe dare reazione allergica. In caso di contatto con gli occhi, lavare immediatamente e abbondantemente con acqua fresca e consultare un medico. Non usare il prodotto sulla cute in presenza di irritazioni o anomalie cutanee. Tenere lontano dalla portata dei bambini. Solo per Uso Professionale.

GB An exclusive dust free bleaching powder system able to give a safe, powerful and fast bleaching. Its formulation is studied to avoid the volatile parts in the surrounding. Natural extracts like wheat proteins protect the external structure of the hair (keratin) leaving the hair always soft and flexible. DIRECTIONS: mix 1 portion of bleaching powder in a non-metal bowl with 2 portions of hydrogen peroxide 20, 30 or 40 volumes. Apply the cream on little locks separated by little aluminum sheets. Leave on the product until the desired degree of bleaching (between 20 and 35 min.). After rinsing or mèches rinse the hair eliminating every creamy residual and then wash again. Close well the packaging after use and keep in a cool place. Caution: always use appropriate gloves, it can cause allergic reaction. Should the product come in contact with the skin and the eyes, rinse immediately with water and consult a physician. Do not use the product if the scalp has any kind of irritation or cuts. Keep out of reach of children. Only for Professional Use.
